

Healthier, safer tourism in Trinidad and Tobago
“...because we care”

The Government of the Republic of Trinidad and Tobago, through its Ministries of Health and Tourism are partnering with the Caribbean Public Health Agency (CARPHA), Caribbean Tourism Organisation (CTO) and the Caribbean Hotel and Tourism Association (CHTA) to implement a joint [Tourism and Health Program \(THP\)](#). The primary objective of the THP is to safeguard the health and well-being of our visitors and locals through a real time, early alert and response system. The THP also includes food and environment safety training, hospitality standards and globally recognised certification and branding.

We are encouraging various visitor accommodation providers to [register with CARPHA](#) to be eligible for recognition as a healthier and safer destination by CARPHA, CTO and the CHTA. The completed application form can be sent via email to carpha-tourismandhealth@carpha.org
